

## REMARKS

Two calls were made to the Examiner in November to request an interview. The Examiner called back on 12/8/2006 indicating that it was going to be very busy near the end of the year and hard to accommodate the request for an interview.

To preserve the continuity of the pending case, the Applicant chose to file the Request for Continued Examination to enter some informalities in claims 1, 21 and 38. The Applicant will contact the Examiner in January for a possible interview. In the meanwhile, the Examiner is respectfully requested to contact the undersigned at (408)777-8873.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to "Commissioner of Patents and Trademarks, Washington, DC 20231", 12/19/2006.
